Work Experience

Full Stack Developer
Sofcon India Pvt. Ltd., Pune, Maharashtra
04 July 2022 - 14 August 2022
(Six Week Internship)

During the six-week internship, I collaborated with a skilled team while gaining hands-on experience in web development. Developed responsive and user-friendly interfaces, worked with databases and contributed to real projects. Proficient in HTML, CSS, JavaScript and version control. Eager to continue learning and grow in the field.

Projects: Personal Portfolio Website
- Designed and developed a personal portfolio website showcasing my projects and skills using HTML, CSS, and JavaScript.
- Implemented interactive components with React, enabling visitors to easily navigate through projects and access contact information.
- Deployed the website using Netlify, ensuring high availability and optimal performance.
